Wine description

Fruity, refreshing, aromatic, with cool elegance, tart flavours, and noble oak spice, ZERONIMO Leonis Blend shows wine without alcohol on a whole new level. On the palate, juicy and subtle blackberries paired with rose hips and cranberries, a hint of bergamot and dark, extract-sweet cherries. The scent of orange zest, bitter chocolate, a touch of black tea, fine oak spices and a touch of vanilla are charmingly combined. This finesse-rich composition is rounded off with a charming freshness and elegantly integrated tannins. The palate always feels light-footed, silky and tightly knit - the taste experience is complex, noble with the highest and finest red wine character. The tension between subtle elegance and complexity works magically and makes Zeronimo Leonis Blend a wonderful pairing partner that perfectly complements dishes.

"This old world style Austrian wine was made for wine drinkers. With 70 year old vines reaching 30 meters down, the native Blaufränkisch (60%) presents, deep, noble character with Zweigelt (20%) Cabernet Sauvignon (20%) seeing 24 months in the finest new French oak. It has unmatched texture and aromatics with notes of sweet dark cherry, forest floor, oak spices and a long finish."

About LEONIS BLEND

The fundament for this premium alcohol-free red wine from Austria is the award-winning blend In Signo Leonis (98 Falstaff Pts), from which the alcohol has been removed in a way that preserves the aroma. The native Blaufränkisch, native Zweigelt and Cabernet Sauvignon grapes come from over 70-year-old vineyards on the Neckenmarkter Hochberg and were aged for 24 months in new French oak. ZERONIMO Leonis Blend was the first alcohol-free wine from the winery Heribert Bayer, which goal is to create one of the best alcohol-free wines of the world. The first vintage of ZERONIMO Leonis Blend 2020 was rated from wein.pur to be the best alcohol-free wine of Germany and Austria.
