EAN	0,375: 9120010355882 0,75: 9120010355899

Wine description

This non-alcoholic premium sparkling wine impresses with its dry drinking experience, breathtaking fruit aromas, minerality, and floral accents, accompanied by an elegant perlage. In the glass, a golden yellow core with silver reflections and finely sparkling perlage. The nose offers a fruity aroma of white stone fruit and exotic yellow fruits. The enchanting fruity interplay continues on the palate with wonderfully refreshing notes of pineapple, elderflower, peach, and light citrus fruits. This is paired with charming honey notes, leading to a mineral and fruity finish.

About Sparkling Select

This high-quality dealcoholized sparkling wine is the fourth alcohol-free sparkling wine creation from Heribert Bayer—and that as vintage sparkling wine. It offers an extra-brutish experience: playful, exotic, and elegant. The alcohol-free sparkling wine is a blend of Grüner Veltliner, Gelber Muskateller and Rivaner. The grapes come from the Wagram region. The wine was vinified using traditional methods. The alcohol was removed using vacuum distillation and aroma recovery, preserving the aroma.

About Zeronimo

ZERONIMO is the alcohol-free wine brand of the award-winning Austrian family winery Heribert Bayer, run by Patrick and Katja in the second generation. They are among the pioneers of premium alcohol-free wines and are among the first in the world to dealcoholize a 98-point wine. Critics, NA experts, and Master Sommeliers worldwide refer to them as the best dealcoholized wines in the world. Three years ago – while Katja was pregnant – the winemaking couple began exploring dealcoholized wines. The focus is on high-quality alcohol-free wines that make the complex and fascinating taste and character of wine accessible to everyone. ZERONIMO is not seen as an alternative, but rather as an extension of the wine offering. Only exquisite, high-quality wines are used. Additives or the addition of sugar are strictly taboo. The unique, dry, flavorful, and multi-layered flavor profile of the wines appeals to both wine lovers and NA drinkers. The wines are versatile and excellent food companions. ZERONIMO is available in Austria, Europe, and the USA.
